Adult B'nai Mitzvah Program at Temple Solel

Want to learn Hebrew and the basics of Judaism?

Join us on a two-year track of study that will take you, if you wish, to becoming an Adult B'nai Mitzvah. All levels are welcome to enroll from beginners to those seeking a refresher course.

Sunday mornings:

- 9:30-10:30 am, Adult Hebrew
- 10:45-11:45 am, Adult Judaica

Taught by Jerry Friedman with
Rabbi John A. Linder

The Adult B'nai Mitzvah class is a two year program. The curriculum proceeds on two tracks: Hebrew and Judaica. The Hebrew track teaches the participant Siddur (prayer book) Hebrew. The first year Hebrew class teaches participants how to decode Hebrew letters and vowels. The second year concentrates on the content and structure of Shabbat services (Friday night and Saturday morning) and prepares the participants to be called up to the bimah to lead the congregation in prayer and to read from the Torah scroll.

The Judaica track is a survey of Jewish theology, history, and culture.

Participants will cover topics ranging from the weekly Torah portion, the history and meaning of Holidays, Jewish societies over the ages, and an overview of the great books of Jewish learning and philosophy.

Classes will meet on Sundays and alternate between 60 minute Hebrew only sessions and 60 minute Hebrew and Judaica sessions.

The program culminates with an Adult B'nai Mitzvah ceremony during Shabbat Service.
